Process for Securing Micro-loan

STEP 1: Go to www.mediationbip.com. If a micro-loan slot is available and posted on our website, there will be a 1, 2, 3, or 4 indicating the slots that are available, next to the bold and uppercase writing. For example, '**AVAILABLE MICRO-LOAN SLOT: 1**' or '**AVAILABLE MICRO-LOAN SLOTS: 4**' or '**AVAILABLE MICRO-LOAN SLOT(S): 0 (Sorry, please try back again!)**'

STEP 2: After reading the rules, disclaimer, and meeting all the conditions (over the age of 21, Muslim, reside in the Philadelphia area, and in need of money), fill out the webform (application online) properly.

STEP 3: We will contact you, via email, within 48 hours of your submittance of the webform application **if** there's an available opening **and** you are next in line.

The reason we will contact you through email is to:

- a. confirm your interest in the micro-loan.
- b. confirm your information, including your email address and phone #.

STEP 4: Once step 3 is executed, *inshaaAllah*, we will promptly send the applicant an agreement, that must be signed within 48 hours, if not, at our discretion, the applicant could be removed from consideration.

STEP 5: After the execution of step 5, we (Mediation BIP) will then send the applicant the money electronically thru Cashapp within 24 hours of receiving a confirmed signature. Applicants **MUST** email Mediation BIP to confirm that they received the funds within 4 hours of monies being posted thru Cashapp.

*****Please see the sample agreement form to better understand the agreement, before applying.*****
